POWER OF ONENESS by GODAFRID

powerful music to join up people

GODAFRID - Power of Oneness

Pop album with Indian **mantras**.

This album is a link to upcoming customer-demands for spiritual music with modern sound to groove and to dance, rocking rhythms and as well soft peaces with great vocals, catchy melodies, fine arrangements and mantras on a beat.

The artist Godafrid possesses the gift to create music that touches us deep inside. By combining well arranged pop songs, wonderfully sounding vocals and choires, instruments and sound effects with mantra recitations, he creates a total work of art. With "Power of Oneness" Godafrid presents a spiritual album in a modern, international sound-outfit, knowing perfectly well, how to use the musical language of our modern music world.

The name Godafrid comes from the Old Germanic language and means "God's Peace". The artist Godafrid is a musical multi-talent with an unerring feeling for energetic music. With his subtle feeling for spiritual themes he merges dance music with positive lyrics and spiritual mantras.

This music works perfectly for dance floors, for celebration parties, festivals and many other occasions.

"Power of Oneness" is a peaceful and powerful message to all people who love to enjoy their life in rhythm.
